Experience

Graphic Designer

T2 Marketing Communications, Remote

October 2023 to Present

- Collaborated within a team in a design agency specifically catering to large technology companies, laying out white papers, case studies, and designing marketing materials.
- Worked in a high pressure environment, switching between many different tasks, programs, and managing workload efficiently to deliver products in a short time span.
- Communicated with a wide variety of clients through email and meetings, balancing their expectations within our scope of work.

Label Creation Intern

Roche Molecular Systems, Hybrid, Branchburg NJ

June 2022 to August 2022

- Designed a fully fleshed out website for Roche's Label Creation team in order to streamline work and communication.
- Communicated in a corporate setting through meetings to synthesize the ideas and needs of the team into reality.
- Worked within brand guidelines and adapted quickly to the programs used in the workplace.

Student Designer

Polytech Graphic Design Studio 111, Flemington, NJ

Sep 2017 to May 2019

- Participated in a wide variety of clientele jobs from branding to promotional materials, including posters, logos, and pamphlets.
- Took notes, revised and edited concepts, and delivered a polished finished product in a timely manner.
